Total Price (MSRP) ⁵	\$69,981

¹ **MSRP as Built:** Manufacturer's Suggested Retail Price (MSRP) for vehicle as shown does not necessarily represent the dealer's actual sale price and does not include destination & handling fee, tax, title, license, registration and adjusted market value. Dealer sets actual price. Please consult your selected dealer. Starting MSRP may vary as a result of equipment capacity restrictions.² **Base MSRP:** Manufacturer's Suggested Retail Price (MSRP) for vehicle as shown does not necessarily represent the dealer's actual sale price and does not include destination & handling fee, tax, title, license, registration and adjusted market value. Dealer sets actual price. Please consult your selected dealer. Base MSRP may vary as a result of equipment capacity restrictions.³ **Color Selection:** Exterior paint colors and finishes seen on actual vehicles in natural lighting may vary slightly from the configurator when viewed on a computer, tablet, or mobile device.⁴ **Wheels Selection:** Estimated ranges attainable when battery fully charged & under ideal driving conditions. Actual range will vary depending on multiple factors, including but not limited to: vehicle model, tire & wheel selections, driving style, accessories used, traffic conditions, outside temperatures, & charging frequency. Ranges of recently released, new model year electric vehicles may not yet be fully certified by EPA. Estimated EV range is based on preliminary BMW AG tests based on EPA's testing procedure standards. See www.fueleconomy.gov. EPA publishes a blended range average of all wheel size/tire combinations which may differ from the range presented here.⁵ **Total Price (MSRP):** Manufacturer's Suggested Retail Price (MSRP) for vehicle as shown does not necessarily represent the dealer's actual sale price and does not include tax, title, license, registration and adjusted market value. Dealer sets actual price. Please consult your selected dealer.

This is a configurator. While we strive to provide accurate configuration options, not every configuration can be guaranteed. Please visit your local BMW dealer for additional information about your chosen BMW.

iX3 50 xDrive Standard Features

01.1

Performance and Efficiency

Engine, transmission, and aerodynamic features.

Dual all-electric motors with a total power output of 463-hp and 476 lb-ft of torque

112.2 kWh high-voltage lithium-ion battery pack with advanced active thermal management system

Multi-Function Charger & NEMA 5-15/14-50 Adapter Bundle

AC Charging Professional up to 15kW

DC Fast Charging (NACS) up to 400 kW

Bidirectional Charging capable (V2L 2.4 kW,V2H 3.6 kW,V2V 7.7 kW)

01.2 —

Handling, Ride and Braking

Ensuring a smooth, safe, comfortable drive.

xDrive Dual-Motor All-Wheel-Drive With Arb-X
Acceleration Slip Control

Dynamic Performance Control system

Integrated Brake system with ABS, Cornering
and Dynamic Brake Control, Brake Drying,
Drive-off Assistant, and Automatic Hold

02.1 —

Exterior

Paint, accents, and lights.

20" Aero Bicolor 1046 Wheels with All Season
Tires¹

Illuminated design door handles

Efficiency optimized aerodynamic body, wheels,
and undercarriage

02.2 —

Interior Trim

Upholstery and trim.

03.1

Connectivity

Wireless features, remote services, and intuitive technology.

BMW Digital Standard features BMW Maps Navigation with Real Time Traffic Information for Active Route, Weather, BMW ConnectedDrive App-Store, My Modes as well as Intelligent Personal Assistant voice control which offers natural speech input for various functions

Enhanced Roadside Assistance including BMW TeleServices

BMW Remote Services including My BMW App, Vehicle Finder, Remote Door Lock/Unlock, MyInfo, Stolen Vehicle Recovery, Remote Lights Flash / Horn Blow, and Remote Climate

BMW Assist eCall™ includes Emergency Request (SOS button) and Enhanced Automatic Collision Notification

Wireless Device Charging

Connected eDrive Services

Remote Software Upgrade capable

Apple CarPlay® and Android Auto™ Compatibility

Bluetooth® wireless technology and dual front and rear USB-C power delivery sockets

Audio System

Systems, speakers and more.

HiFi Sound System

SiriusXM 1 Year Trial Subscription, Car + App

Instrumentation and Controls

Advanced features for a smarter drive.

Multi-function steering wheel

My Modes offers multiple vehicle experiences including Sport, Efficient, and Personal to tailor the driving experience

Tire Pressure Monitor

BMW Operating System X optimized for Touch and Voice Control

Acoustic Safety-belt Warning

Seal & Drive Tire Kit

Active Park Distance Control with Side Protection

LED Daytime Running Lights

Redundant Mechanical Interior Door Levers

Automatic Park Assistant with Back Up Assistant and Rear View Camera

BMW Assist eCall™ includes Emergency Request (SOS button) and Enhanced Automatic Collision Notification

04.2 —

Warranty

Complete coverage and peace of mind.

BMW Ultimate Care (for complete details, visit [click here](#))

12-year Unlimited Mileage Rust Perforation Limited Warranty

4-year/50,000-mile New Vehicle Limited Warranty for Passenger Cars and Light Trucks 2027 Models (valid only in the USA including Puerto Rico)

4-year Unlimited Mileage Roadside Assistance Program

1-All Season tires are suitable for most weather conditions. Driving over rough or damaged road surfaces, as well as debris, curbs and other obstacles, can cause serious damage to wheels, tires and suspension parts. This is more likely to occur with low-profile tires, which provide less cushioning between the wheel and the road. Be careful to avoid road hazards and reduce your speed, especially if your vehicle is equipped with low-profile tires.

2-Driving Assistant and Driving Assistant Plus are not substitutes for the driver's own responsibility in maintaining safe control of the vehicle. Steering Assistant and Lane Keeping Assistant require clearly definable lane markings that are not obscured by rain, snow, etc.
